

HEALTH CARE THAT'S THERE FOR YOU WHEN AND WHERE YOU NEED IT

Head-to-toe virtual care¹ from MDLIVE.®

It's not always easy to find time for the health care you need. After all, doctors' appointments traditionally involve time and travel. That can lead to putting off care until problems become more serious, and potentially more expensive.

That's why Cigna has partnered with MDLIVE to offer a comprehensive suite of convenient virtual care options — available by phone or video whenever it works for you. MDLIVE board-certified doctors, dermatologists, psychiatrists and licensed therapists have an average of over 10 years of experience, and provide personalized care for hundreds of medical and behavioral health needs.

Now you don't have to wait — or travel — for the care you need.

Connect with video or phone, whenever it's convenient for you. Best of all, virtual care from MDLIVE board-certified doctors is available to you and your eligible dependents as part of your health benefits.
