

Pay for health care expenses with an HIA from UHC Rewards

With UnitedHealthcare Rewards, you can earn dollars for reaching program goals and completing one-time reward activities. What's more, the rewards you earn can be deposited right into a health incentive account (HIA)—an account you can use to help pay for eligible health care expenses.

How an HIA works with UHC Rewards

Every dollar you earn with UHC Rewards can be put into an HIA

You can use an HIA to help pay for out-of-pocket medical or prescription drug expenses

When you have a claim for an eligible expense, the money in your HIA will automatically be used to reimburse you for the cost

Answers to frequently asked questions

What is an HIA, and what can I use it for?

An HIA, or health incentive account, is a reimbursement account where you can deposit the rewards you earn for completing certain reward activities. You can use the money in your HIA to help pay for out-of-pocket medical expenses—including copays, deductibles, coinsurance and prescription medications.

Can my spouse contribute reward dollars to an HIA?

You and your covered spouse can both activate UHC Rewards and deposit earnings into a single HIA. As the health plan subscriber, the HIA will be in your name.

How do I create an HIA?

After you've earned at least \$1 and you're ready to redeem your earnings for the first time, you can create your HIA.

To do that:

1. Open the **UnitedHealthcare® app** and select **UHC Rewards**.
2. Select **Redeem rewards**.
3. Select **Health incentive account**.
4. Enter the dollar amount you'd like to redeem.
5. Select **Redeem rewards**.

Note: It may take up to 3–5 days before your account is ready and your initial deposit is available. Please allow 2–3 business days for any future deposits to appear in your account balance.

When your account is ready, you can:

1. Go to **member.uhcbs.com**.
2. Create your login credentials.
3. Sign in to view your HIA balance and transactions.

How do I access my earnings?

Sign in anytime at **member.uhcbs.com** to view your HIA balance and transactions.

When an eligible claim is processed, you'll be reimbursed using your selected payment method. You can choose direct deposit via your UHCBS online account, or you can have a check mailed. Your claims must total at least \$25 to be reimbursed by check.

Do dollars in my HIA roll over each year?

If you have a remaining balance at the end of the plan year, you'll have a 90-day grace period for reimbursement for eligible expenses incurred in the previous plan year. After 90 days, 50% of your remaining HIA balance from the previous plan year will roll over and be used for current plan year expenses.

If you leave your employer or choose to change health plans, any money remaining in your HIA account will be lost. Only expenses that occurred prior to your termination date can be reimbursed.

Who can I talk to if I have more questions?
